SUMMARY OF CHANGES

The following have been added by full text:

1. This is Amendment 0005 to RFP N40027-05-R-0034.

2. REQUEST FOR SPECIFICATION CLARIFICATION:

a) **QUESTION:** Specification as currently written does not require the contractor to “provide” labor and material. It states that the GLM shall not exceed 500,000 dollars and will be subject to an equitable adjustment.

Is it the Governments intent that contractors include 500,000 dollars for Government use related to within scope growth work in their proposal? If so, please modify the specification to require contractors to “Provide 500,000 dollars to accomplish within scope growth work when directed by the SUPERVISOR”.

ANSWER: NTE (NOT TO EXCEED) amount of \$500,000 is funded by the Government and will be depleted only through contract modification issued by Government ACO after finalization of any request for contract changes (RCC) pricing. Any remaining balance of NTE will not be expended and therefore funds will be recaptured by the Government.

DELETE Paragraph 3.1.1 of Specification Item 881-01-001.

Refer any further questions to Ms. Victoria West, 270-5126 X3519.
